

There is not enough parking on campus for all students and staff.

More Details:

- Students are constantly getting tickets for parking illegally, simply because there is no parking and they have to get to class.
- This is a serious problem for the university because a lack of good parking can keep students from wanting to attend here.
- This is not an issue just for students. Faculty also struggles with the same problem and it negatively affects their morale.
- Many classes are cancelled by professors every day due to a lack of legal parking spots.
